

ROANOKE COUNTY  
DEPARTMENT OF COMMUNITY DEVELOPMENT  
ASBESTOS ABATEMENT CERTIFICATION  
(To be submitted with building permit application for alteration or demolition)

A. Property Information

Owner \_\_\_\_\_ Location \_\_\_\_\_

B. Certification

The undersigned party hereby certifies that the structure located at the above referenced address has been inspected for asbestos by personnel qualified in accordance with Section 54.1-503 of the Code of Virginia to identify the presence of asbestos and that the results of the inspection are as follows:

- \_\_\_\_\_ No asbestos was detected.
- \_\_\_\_\_ Asbestos was detected and response actions to abate any risk to human health are complete. \*
- \_\_\_\_\_ Asbestos was detected or is assumed to be present and response actions to abate any risk to human health will be undertaken as a part of the renovation or demolition. \*

C. Exceptions

An inspection was not performed on the structure because it qualifies for the following exemption(s):

- \_\_\_\_\_ The original building permit for this structure was issued later than January 1, 1985.
- \_\_\_\_\_ Residential housing with four or fewer units  
( not applicable when in conjunction with commercial development)
- \_\_\_\_\_ The total amount of suspected asbestos containing materials does not exceed 260 lineal feet on pipes or 160 square feet on any other part of the facility.

by \_\_\_\_\_ or \_\_\_\_\_  
Owner Agent

Date: \_\_\_\_\_

\* The owner must certify that abatement areas meet required clearance levels prior to re-occupancy.
